SUBJECT: Work Plans for Site Investigation and Corrective Action Plan, Defense Fuel Support Point (DFSP) Melville, Tank Farms 1 and 3, Portsmouth, RI

Rhode Island Department of Environmental Management
Division of Site Remediation
Leaking Underground Storage Tank Program
Attn: Mr. Patrick Hogan
291 Promenade Street
Providence, RI 02908-5767

Dear Mr. Hogan:

1. The Defense Fuel Supply Center is pleased to submit Final Work Plans for tank farms 1 and 3 at DFSP Melville. The work plans delineate site investigation and corrective action work to be undertaken in response to petroleum contamination discovered at the two sites. Additional work plans incorporate the comments you submitted with respect to the Draft Work Plan of May 1994.
2. DFSC is prepared to commence site work upon receipt of written approval from your Department. You may contact Mr. Riffe at (703) 274-1509 if there are any questions.

Sincerely,

W.E. GOODE
Chief, Environmental Quality Division
Directorate of Facilities Management
